

EarthDance, a nonprofit educational farm located in Ferguson (North St. Louis County) is seeking candidates for several summer intern/ volunteer positions, to assist in the operation of Camp EarthDance, a farm-to-table summer camp. Camp EarthDance is an opportunity for local middle school students to explore an organic farm, enjoy time in nature, and learn how and why to prepare healthy meals.

Benefits of Intern positions/ volunteer opportunities

- Opportunity to spend time with students, mentoring them in healthy behaviors and attitudes, helping youth develop skills and awareness that will enhance their lives
- Gain experience in lesson planning, teaching and leadership
- Enjoy meals prepared using organic, sustainably grown, fresh produce
- Become a part of EarthDance's fun and dynamic farming community
- Receive a CSA (share of produce) to take home during both weeks of camp

Minimum Qualifications For All Positions:

- Desire and ability to work with children outdoors
- Experience working with children
- Ability to relate to one's peers
- Ability to accept supervision and guidance
- Good character, integrity, and self control
- Maintain enthusiasm, energy, positive attitude and appearance, and interact with campers at all times
- 18 years of age or older

Time Frame: 2 meetings in May, Camp takes place M-F during two week-long sessions. Session I: June 4-8, Session II: June 18-22.

To apply: Email cover letter and resume with two references (no friends or family members) to EarthDance Farm and Community Education Coordinator Rachel Levi (rachel@earthdancefarms.org)

Food & Nutrition Coordinators
