

EarthDance Farmers Formal 2016 Event Volunteers Needed!

Friday, October 14th 4pm-10pm at Union Station

Volunteer at the most exciting farmer & chef celebration in St. Louis! From helping with our amazing silent & live auctions, to working with chefs, to helping guests enjoy the evening, we have lots of different ways to support EarthDance and make our biggest fundraiser a success! This opportunity is great for individuals & groups alike and is a fantastic opportunity to complete service hours, have fun, and enjoy an night of farm fun.

[EarthDance Organic Farm School](#) is a 14 acre working organic farm & non-profit in Ferguson that sustainably grows food, farmers, and community, one small farm at a time, through hands on education and delicious experiences. [EarthDance's "farmraiser"](#) enables the organization to sustain its Farm and Garden Apprenticeship Program, offer employment to youth, donate produce to needy families, and develop the Organic Farm School's campus into a beautiful, innovative learning environment. Have a toe-tappin' good time while you help EarthDance grow food, farmers, and community, by volunteering at this year's Farmers Formal

For more information, list of volunteer positions, and to sign up, please contact:
