

2013 Apprenticeship Scholarship Request

A limited number of full and partial scholarships are available for the EarthDance Organic Farming Apprenticeship program. As the price of tuition (\$750) does not completely cover EarthDance's expenses per student, we ask that applicants request consideration for scholarship only if the program's cost would represent a significant financial hardship.

To apply for a scholarship to the 2013 EarthDance Organic Farming Apprenticeship program, please consider the following questions, and include your answers in Part III. of your application.

Scholarship Application Deadline: December 1st, 2012.

1. Are you in need of a full or partial scholarship?
2. Please briefly discuss your financial reasons for seeking tuition assistance.
3. Let us know why you are interested in being an EarthDance apprentice.
4. Please explain how the EarthDance Apprenticeship fits into your future goals.

Please limit your response to no more than two typed pages.

After EarthDance has received parts I., II., and III. of your application, we will review all of your documents. We may follow up with a phone interview regarding scholarship issues in early December, and our decisions will be announced by mid-December. Thank you for your interest in EarthDance.
