

2017 Apprenticeship Scholarship Request

A limited number of full and partial scholarships are available for the EarthDance Organic Farming Apprenticeship program. As the price of tuition (\$1000) does not completely cover EarthDance's expenses per student, we ask that applicants request consideration for scholarship only if the program's cost would represent a significant financial hardship.

To apply for a scholarship to the 2017 EarthDance Organic Farming Apprenticeship program, please consider the following questions, and include your answers in Part III. of your application.

Scholarship Application Deadline: February 12th, 2017.
