

2011 Apprenticeship Scholarship Request

To apply for a scholarship to the 2011 EarthDance Organic Farming Apprenticeship program, email your "Applicant Statement" to Rachel Levi, Farm & Community Education Coordinator, at rachel@earthdancefarms.org

Scholarship Application Deadline: 12pm (noon) on December 10th, 2010

Thanks to the generosity of several donors at the 2010 Pesto Festo fundraiser, a limited number of full scholarships are available for the EarthDance Organic Farming Apprenticeship program. As the price of tuition (\$550) does not completely cover EarthDance's expenses per student, we ask that applicants request consideration for a scholarship only if the program's cost would represent a significant financial hardship.

Applicant Statement:

Please tell us why you think you would be a strong addition to our 2011 apprenticeship class. Outstanding scholarship candidates include applicants who have demonstrated interest and leadership in issues pertaining to organic farming and/or gardening. EarthDance is also very interested in applicants who have a "shovel ready" plan for using their new farming skills (for example, establishing a food garden for a school, church or other community organization, or plans for your own farming venture). Please limit your statement to no more than 2 typed pages.
